Description

The property offers on the ground floor a fitted kitchen, living/dining room, second very bright living room with access to several sunny terraces, a bedroom, bathroom, and laundry/pantry area. The first floor offers 3 bedrooms with 2 en-suite bathrooms and the main bedroom with its bathroom, dressing room and access to a large and sunny terrace. The property offers a salt pool, with a covered terrace, with a barbecue and chill-out area, beautiful gardens, several entrances from the street, and a large garage for several cars. The house was built in 1850 and was renovated with great detail and charm in 2008, maintaining a traditional style. It is equipped with oil central heating, double-glazed wooden windows, terracotta floors, wooden beams, and built-in wardrobes, and is located a few steps from the town center, surrounded by a natural and private environment, at the foot of of the Sierra de Tramuntana. The property sits on a 1560m² plot, and also offers a second urban plot, which can be used to expand the existing construction, or for new construction. This property is an authentic jewel in the emblematic town of Calvia.
