Description

The plot with beautiful mountain views offers 1,014 m², and the property will have 467 m² of constructed area, with 5 bedrooms with ensuite bathrooms, with a modern and elegant design. It will offer gardens with native vegetation, which will give it a touch of nature and harmony. The property is in a quiet and safe area, very close to schools, shops, and restaurants, well connected by public transport to Palma town, and a few minutes by car from the beaches of Santa Ponsa and Palmanova. Calvià is a very charming municipality, which preserves its rural essence and its rich culture, offering the possibility of practicing all types of outdoor activities, such as hiking, cycling, golf or horse riding. The project and the building license have been paid for, to begin construction in December 2023.
