Description

These magnificent properties offer touristic rental licenses and sea access and consist of a main house and a guest house sharing an infinity pool. The main villa offers 4 bedrooms with bathrooms en suite, 2 WC with shower, a fully equipped kitchen open to the large dining area, a separate living room with fireplace, an indoor pool with sauna and Gym and garage for 3 cars, distributed in 3 levels, all connected through glass lift and staircase. The guest house offers an ample living room, 3 bedrooms with bathrooms ensuite, and private parking for 3 cars. Both properties offer fantastic sea views and are equipped with central heating, double glazing, A/C hot/cold, with all the necessary comforts of a property of this magnitude. The beach is only a few steps away, as the golf course, shops and restaurants in the area. These are a unique luxury properties in the southwest of Mallorca, surrounded by natural and exclusive environment. Some changes can be made to make them totally independent from each other.
