Description

Built in 2016, the apartment offers two bedrooms with two bathrooms (1 en-suite), a fully equipped open-plan kitchen, and a spacious living/dining room with access to a sunny, covered terrace with an awning. It features wood-effect tiles, underfloor heating, hot/cold air conditioning, double glazing, electric shutters, an alarm system, a safe, a home automation system, and a satellite TV connection. A Weber gas grill is available. All of the furnishings are exclusive and of very high quality. The complex offers beautiful, well-maintained gardens, a large pool (heated and covered in winter) with a changing area with toilets and showers, a sauna, a separate gym, an elevator to all floors, a private parking space in the underground garage, and a storage room. The golf club and all the local shops and restaurants are just steps away. This is an ideal concept for those seeking luxury and exclusivity right on the beach. NO PETS ALLOWED.
