Description

The villa has been modernized and offers 4 large bedrooms with bathrooms en-suite, an office, spa area with sauna, wet room, gym and showers, and a large living-dining area with open kitchen and access to a sunny terrace with sea views from the bay of Palma till sol de Mallorca and the open sea. The roof terrace offers an ample area to dine al fresco, accompanied with spectacular views, or a chill-out area for sunbathe. It offers an ample garage for several cars, and an infinity pool with sun the whole day. The villa is equipped with underfloor heating, double glazed doors and windows, a lift to all floors (even the roof terrace), and marble flooring, and it is located in Costa d'en Blanes, on the hills of the chic Puerto Portals, with all its boutiques, exclusive restaurants and exquisite marina.
